

Kladská Bilingual English Club

The Bilingual English Club aims to address the needs of the growing number of bilingual (English / Czech speaking) children at Kladská Primary School. The club is offered to children of all age levels and each club group accommodates 5-10 pupils. The Bilingual English Club is open to both, children attending Kladská Primary School and children from other local primary schools.

The Bilingual English Club lessons focus on developing the key English literacy skills and competencies - reading, writing, speaking and listening – and their content is based on the main areas of the UK's National Curriculum English, Key Stage 1-2.

In 2024/2025, we are opening three groups – Year 1-2, Year 3-5 and Year 6-9.
